No future they say  
But must it be that way?  
Now is calling  
The city is human

Blind youth take hope, you're no Joe soap  
Your time is due, big fun come soon

We've had it easy  
We should be glad  
High-rise livings  
Not so bad

Blind youth take hope, you're no Joe soap  
Your time is due, big fun come soon

Dehumanization  
Is such a big word  
It's been around since  
Richard the third

Dehumanization  
It's easy to say  
But if you're not a hermit  
You'll know the city's okay

No future they say  
But must it be that way?  
Now is calling  
The city is human

Blind youth take hope, you're no Joe soap  
Your time is due, big fun come soon

Blind youth take hope, you're no Joe soap  
Your time is due, big fun come soon

Blind youth take hope, you're no Joe soap  
Your time is due, big fun come soon

We've had it easy  
We should be glad

High-rise livings  
Not so bad

Blind youth take hope, you're no Joe soap  
Your time is due, big fun come soon

Blind youth take hope, you're no Joe soap  
Your time is due, big fun come soon

Blind youth take hope, you're no Joe soap  
Your time is due, big fun come soon
