Do you hear me?
Do you hear me?
Do you hear me?

Do you hear me?
Do you hear me?
Do you hear me?

Just because you can
You treat me like a fool
But just because you can
Don't make it right

Can it be so hard
To be a little kind?
And you could be here
With me tonight

I've got feelings
(Don't be unkind)
Feelings
(Don't be unkind)
Feelings, stay with me tonight

You've been stealing
(That's so unkind)
Stealing
(A heart, a mind)
Stealing, stay with me tonight

Cruel, young lover, blow your mind out
Time will come when you will find out
Time will take your cruel power away

Cruel, young lover, try to stand out
Will it always pay to bland out?
Time will take your cruel power away

Do you hear me?
Do you hear me?
Do you hear me?

Do you hear me?
Do you hear me?
Do you hear me?

Once again you're gone
Somewhere in the night
Disappearing, leaving me alone

The lure of city streets
The pull of unknown souls
The overpowering draw of the unknown

You've been stealing
(That's so unkind)
Stealing
(A heart, a mind)
I'm appealing, stay with me tonight

Cruel, young lover, hit the action
Can you live on your attraction?
Time may take your cruel power away

Cruel, young lover, try to stand out
Will it always pay to bland out?
Time will take your cruel power away
Cruel, young lover, ah, ah, ah

Do you hear me?
Do you hear me?
Do you hear me?

Do you hear me?
Do you hear me?
Do you hear me?

Do you hear me?
Do you hear me?
Do you hear me?

Do you hear me?
Do you hear me?
Do you hear me?

Do you hear me?
(Cruel, young lover)
Do you hear me?
Do you hear me?

(Cruel, young lover)
Do you hear me?
(Cruel, young lover)

Do you hear me?
Do you hear me?

Cruel, young lover
Do you hear me?
(Cruel, young lover)
Do you hear me?
(Cruel, young lover)

Do you hear me?
(Cruel, young lover)
Do you hear me?
(Cruel, young lover)

Do you hear me?
Do you hear me?
Do you hear me?

Do you hear me?
(Cruel, young lover)
Do you hear me?
Do you hear me?

Cruel, young lover
