Someone stopped the clock  
When we should have started early  
If we miss the morning meeting  
Our lives will be in danger

Someone's trying to stop us  
There is someone in our party  
It is someone with a grudge  
And they won't let us reach the border

Our lives are in his hands  
We pay with Krugerrands  
The currency of pain to help  
Us leaving

While back in our homeland  
The ones who make a stand  
Are taken from their homes and  
No-one hears of them again

I felt I had to come here  
I thought things would be better  
The situation's changed  
But I find I'm still resented

Someone wants my job  
It is someone in this building  
Someone's spreading rumors  
And I don't feel I can stay here

I think I'm going north  
And now's the time to leave  
The people there they say  
Are good to strangers

And if I do my best  
And try to settle in  
I'm sure I can be just like  
Someone's neighbor

I'm sure I can be just like  
Someone's neighbor
