Since I was very young, I've realized  
I never wanted to be human size  
So I avoid the crowds and traffic jams  
They just remind me of how small I am

Because of this longing in my heart  
I'm going to start the growing art  
I'm going to grow now and never stop  
Think like a mountain, grow to the top

Tall, tall, tall, I want to be tall, tall, tall  
As big as a wall, wall, wall, as big as a wall, wall, wall  
And if I'm not tall, tall, tall, then I will crawl, crawl, crawl  
Because I'm not tall, tall, tall, tall, tall, tall, tall, tall

Tall, tall, tall, I want to be tall, tall, tall  
As big as a wall, wall, wall, as big as a wall, wall, wall  
And if I'm not tall, tall, tall, then I will crawl, crawl, crawl  
Because I'm not tall, tall, tall, tall, tall, tall, tall, tall

With concentration  
My size increased  
And now I'm fourteen stories high  
At least

Empire State Human  
Just a born kid  
I'll go to Egypt to be  
The pyramids

Tall, tall, tall, I want to be tall, tall, tall  
(Brick by brick, stone by stone)  
As big as a wall, wall, wall, as big as a wall, wall, wall  
(Growing till he's fully grown)  
And if I'm not tall, tall, tall, then I will crawl, crawl, crawl  
(Brick by brick, stone by stone)  
Because I'm not tall, tall, tall, tall, tall, tall, tall, tall  
(Growing till he's fully grown)

Tall, tall, tall, I want to be tall, tall, tall  
(Fetch more water, fetch more sand)  
As big as a wall, wall, wall, as big as a wall, wall, wall

(Biggest person in the land)  
And if I'm not tall, tall, tall, then I will crawl, crawl, crawl  
(Fetch more water, fetch more sand)  
Because I'm not tall, tall, tall, tall, tall, tall, tall, tall  
(Biggest person in the land)

Brick by brick, stone by stone  
Growing till he's fully grown  
Brick by brick, stone by stone  
Growing till he's fully grown

Tall, tall, tall, I want to be tall, tall, tall  
(Fetch more water, fetch more sand)  
As big as a wall, wall, wall, as big as a wall, wall, wall  
(Biggest person in the land)  
And if I'm not tall, tall, tall, then I will crawl, crawl, crawl  
(Fetch more water, fetch more sand)  
Because I'm not tall, tall, tall, tall, tall, tall, tall, tall  
(Biggest person in the land)

Tall, tall, tall, I want to be tall, tall, tall  
(Brick by brick, stone by stone)  
As big as a wall, wall, wall, as big as a wall, wall, wall  
(Growing till he's fully grown)  
And if I'm not tall, tall, tall, then I will crawl, crawl, crawl  
(Brick by brick, stone by stone)  
Because I'm not tall, tall, tall, tall, tall, tall, tall, tall  
(Growing till he's fully grown)

Fetch more water, fetch more sand  
Biggest person in the land  
Fetch more water, fetch more sand  
Biggest person in the land
