Funny sometimes how you let  
The little things get in your way  
Funny how you just can't talk  
Although sometimes you've got so much to say

Silly when you know you've got the thing  
That everybody needs so bad  
Stupid if you let those jealous people  
Telling lies, make you sad

I thought I heard a voice  
Telling me go home  
No need to run no more  
Needn't be alone

I don't care what you do  
I'm coming back  
(Back, back, yeah, back)  
I can look forward too  
I'm coming back  
(Back, back, yeah, back)

Crazy feelings that you get  
Sometimes they make you want to run away  
The provocation that you let  
Overcome you when you ought to stay

I thought I saw her face  
In every single crowd  
I heard her voice again  
Calling me aloud

I don't care what you do  
I'm coming back  
(Back, back, yeah, back)  
I can look forward too  
I'm coming back  
(Back, back, yeah, back)

I thought I never could  
Return where I belong  
But with her waiting there

I knew I could be strong

I don't care what you do  
I'm coming back  
(Back, back, yeah, back)  
I can look forward too  
I'm coming back  
(Back, back, yeah, back)

I don't care what you do  
I'm coming back  
(Back, back, yeah, back)  
I can look forward too  
I'm coming back  
(Back, back, yeah, back)

I don't care what you do  
I'm coming back  
(Back, back, yeah, back)  
I can look forward too  
I'm coming back  
(Back, back, yeah, back)

I don't care what you do  
I'm coming back  
(Back, back, yeah, back)  
I can look forward too  
I'm coming back
