Make your mind up
Who's gonna think for you?
When the time comes
You'll have to see it through

Use your instinct
And take a risk or two
Don't you worry
'Cause you'll know what to do

You can give so
Much to me
But I don't want it
I will be free

For the last time
I'm goin' out the door
You don't need me
To help you anymore

Eyes wide open
I see it's different now
Keep your comfort
I'll get along somehow

You can have my money
I don't need it anymore
I don't need your invitation
Down that lonesome corridor
Breakdown

You can have my money
I don't need it anymore
I don't need your invitation
Down that lonesome corridor

Nothing good comes easily
Count the cost, I will be free
You can scream and disagree
I don't want it, I will be free

You can have my money

I don't need it anymore
I don't need your invitation
Down that lonesome corridor

Nothing good comes easily
Count the cost, I will be free
You can scream and disagree
I don't want it, I will be free
