I feel my spirit fly
Only after dark - ahh
I kiss the world goodbye
Only after dark - ahh

Fight with the city lights
Only after dark - ahh
Run, I'd like to run away
Only after dark - ahh
Won't you disappear into midnight with me
Why don't you come, why don't you come, why don't
you fly, fly, fly with
Sweet elusive Fate , will be our company

Bring out the vamp in me
Only after dark - ahh
Moon, sinful as can be
Only after dark - ahh

It's wrong to feel so free (!)
Only after dark - ahh
Only you know it can be
Only after dark - ahh

Won't you disappear into midnight with me
Why don't you come, why don't you come, why don't
you fly, fly, fly with
Sweet elusive In Fade , will be our company

Personal Note from John Von Ahlen :
I give up. Anybody who knows what the words are in the
chorus - PLEASE - email me!
I just can't figure it out :
