And when it hurts you know they love to tell you
How they warned you
They say, "Don't be surprised at someone's lies"
They think, they taunt you

But if you can stand the test, you know
Your worst is better than their best

And so you stand here with the years ahead
Potentially calling
With open heart or with a spirit dead you walk on

Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart

Dare to feel
Take the chance
Make the deal

Being an island
Shying from trying
Seems the easy way
Such an easy way
But there's no
Future without tears

Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart

Dare to feel
Take the chance
Make the deal

But if you can stand the test, you know

Your worst is better than their best

Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart

Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart

Lies the reason
Faith or treason
Playing a part
End concealing
Try revealing
Open your heart

Lies the reason
Faith or treason
Playing a part
