La la la
Love is the real thing
(You know)
Love is the real thing
La la la la
(La love)

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la

She is waiting in the office
For the bell to go
She is thinking of their meeting
Just a month ago

Now she's running through the people
Everyone's so slow
Now he holds her and he loves her
He tells her so

And la la la
Love is the real thing
(You know)
Love is the real thing
La la la la
(La love)

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la

By the nightfall they have driven
From the world they know
She's so happy they're together
And their love will grow

And when you feel your chance has come

Who's gonna throw it all away?
And if there's someone left behind
You have to say that

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la
(La love)

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la
(La love)

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la

And when you feel your chance has come
Who's gonna throw it all away?
And if there's some poor fool behind
They'll have to say

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la
(La love)

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la

La la la
Love is the real thing
(You know)

Love is the real thing
La la la la
(La love)

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la
(La love)

La la la
Love is the real thing
(You know)
Love is the real thing
La la la la
