Put your hand in a party wave

Pass around

Make a shroud pulling combs through a backwash
frame

Find the copies in a carbon mount

Pass around

Stroke a pocket with a print of a laughing sound

Get around town, get around town

Where the people look good

Where the music is loud

Get around town

No need to stand proud

Add your voice to the sound of the crowd

The shades from a pencil peer

Pass around

A fold in an eyelid brushed with fear

The lines on a compact guide

Pass around

A hat with alignment worn inside

Chorus :

Get in line now, get in line now

Stay in time with the rhythm and rhyme

Get around town, get around town

Where the people look good

Where the music is loud

Get around town

No need to stand proud

Add your voice to the sound of the crowd

(Repeat chorus twice more)
