If you cannot depend on the one that you love
Depend on me
Where did you go?
Where did you come from?
'Cause I been waiting
For the perfect line and I'm just in time

I'm not one to judge wrong from right
I just like the way you're dressed tonight
I don't think I've ever seen you here before
We ain't got no time to socialise
It's there in your eyes
That you need someone that you can depend on

If you cannot depend on the one that you love
Depend on me
If you're wanting a man who can give you all you need
I'm your man

You need someone
Don't waste your time
Ain't nobody
Gonna wait all night for you to decide

I'm not one to judge wrong from right
I just like the way you're dressed tonight
I don't think I've seen you here before
We ain't got no time to socialise
I can see it in your eyes
That you need someone that you can depend on
If you cannot depend on the one that you love

Depend on me
If you're wantinf a man who can give you all you need
I'm your man

If you want love, If youi want faith
If you want a man who's richer, baby
If yoiu want love - I'll satisfy
If you want love, If you want faith
If you want a man who's rich
I'll satisfy

We got time so we can fool around
Satisfy our every need
Maybe baby we can lose the crowd
Olay the music loud
'Cause I just wanna be with you, baby
Be with you, baby
Baby you have always been the one that I been looking
for
And you need someone that you can depend on

If you cannot depend on the one that you love
Depend on me
If you're wantinf a man who can give you all you need
I'm your man

If you want love, If youi want faith
If you want a man who's richer, baby
If yoiu want love - I'll satisfy
If you want love, If you want faith
If you want a man who's rich
I'll satisfy
