You and I must make a pact  
We must bring salvation back  
Where there is love, I'll be there  
I'll reach out my hand to you  
I have faith in all you do  
Just call my name and I'll be there

I'll be there to comfort you  
Build my world of dreams around you  
I'm so glad that I found you  
I'll be there with a love so strong  
I'll be your strength, I'll keep holding on  
Yes I will, yes I will

Let me fill your heart with joy and laughter  
Togetherness, well that's all I'm after  
Whenever you need me, I'll be there  
I'll be there to protect you  
With an unselfish love that respects you  
Just call my name and I'll be there

I'll be there to comfort you  
Build my world of dreams around you  
I'm so glad that I found you  
I'll be there with a love so strong  
I'll be your strength, so [Incomprehensible] keep  
holding on  
Yeah, yeah, yeah, yeah

If you should ever find someone new  
I hope he'd better be good to you  
'Cos if he doesn't, then I'll be there  
Don't you know, baby, yeah, yeah?

I'll be there, I'll be there  
Just call my name, I'll be there  
I'll be there, I'll be there  
Just call my name, I'll be there  
I'll be there, I'll be there  
Just call my name, I'll be there
