Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today...
(Imagine) Imagine there's no countries
It isn't hard to do (so hard hard to do)
Nothing to kill or die for
No religion too
Imagine all the people
Living life in peace...(oh...Living in peace)

You may say I am a dreamer (I am a dreamer)
(But I am not the...) But I am not the only one (I am not
the only one)
I hope some day you'll join us (Imagine all the people)

And the world will live as one
(Imagine if you can...)
Imagine all the people
Sharing all the world...(Sharing the world)

You may say I am a dreamer (I am a dreamer)
(But I am not the...) But I am not the only one (I am not
the only one)
I hope some day you'll join us (Imagine all the people)
And the world will live as one

I hope some day you'll join us
And the world will live as one
(Imagine all the people...)
(Living as one...)
