

Human Nature "Without You"

Visit "[Without You](#)" on MotoLyrics.com

Can I just surrender now
As the day is passing over
There's a common wind that always brings us here
To a door that's always open
But I just can't step inside
Could it be that I just need to try
I believe that it's killing me
Just to tell you how I'm feeling
Why do I always have to be
Be the one, be the one to hide
I believe that you are to me
My wall of reality
So why does it feel so hard
To tell you

What would I do
Without you
Part of my soul
Part of me that I never knew (I never knew)
What would I do
God only knows (God only knows)
What would I do without you

Baby I've been disregarding
What I really feel inside
I believe it's time I finally told you my mind

I'm telling you
I believe that you are to me
My wall of reality
So why does it feel so hard
To tell you

What would I do
Without you
Part of my soul

Part of me that I never knew (I never knew)
What would I do
God only knows (God only knows)
What would I do without you

What would I do
Without you
Part of my soul
Part of me that I never knew (I never knew)
What would I do
God only knows (God only knows)
What would I do without you
Oh tell me
What would I do without you

I believe that you are to me
Everything that my world should be
I believe....
Give myself to you (Give myself)
I believe that you are to me
My wall of reality
I believe.... oh
I don't know what I'd do without you

What would I do (Without you)
Without you (Without you)
Part of my soul
Part of me that I never knew
(I don't know what I'd do without you)
What would I do
God only knows (God only knows)
What would I do without you

(What would I do without you my baby)

[ad lib to fade]
