So look - I came here tonight
Thought I could stay for awhile
But now your lidded eyes they rise and fall -
I came to call you out you're Bluffing
I came here for you with my best Girl tricks
Now maybe I'll sleep for awhile
Maybe you won't even mind
But I could not keep my hands off you
It's so dark you are so bright.
I watch your head nod but your hands don't stop -
Now maybe I'll learn something NEW
Some NEW kind of sick & tired
But it's so brite outside good night or good morning.
Maybe we won't wake up empty this time -
MAYBE WE WON'T WAKE UP
Maybe we won't wake up empty this time -
MAYBE WE WON'T WAKE UP
