I melt I drip I fall I slip
Into your arms
Do you think you could hold me?
Hold me down?
I think I'm ready to give in
Nearly broken but it feels good
When you hold me, hold me down.
I crawl into wet pools of you
It's home it's comfort -
I think I could drown there -
Hold me down
I think i'm ready to give in
Nearly broken but it feels good
When you hold me hold me down
Numb and quiet this urge to break
I'm down I stay for you to hold me hold me down
I think I'm ready to give in
Nearly broken - but it feels good.
When you hold me hold me down.
Tied down i'm low clipped wings I fold I Shake -
Your're gone still you are all over
And hold me down
I think i'm ready to give in
Nearly broken but it feels good
When you hold me hold me down
