

Human Waste Project "She Gives"

Visit "[She Gives](#)" on MotoLyrics.com

I wish I was alive
I give all I have to you
And still I am nothing
I can't believe you hurt me
I sold my life away
I sold myself for praise
Still I suffer here in vain
Please make it go away
I'll give you anything
I give you
I'll give you everything
I give you
She's far too gone now
She gave away her soul
In your eyes she sees the lust
You only want to fuck her
Please fill this gaping hole
Please make it go away
She'll be on her knees for you
Forever and a day
I'll give you anything
I give you
I'll give you everything
I give you
I only want to be wanted
Inside I am nothing
And later I will purge myself
Scrub off all that fuck that smell
She gives
You take away
Let's make believe that I'm just fine
When I'm dying here inside
Disconnected and abused
My agony keeps you amused
Please take my misery
Take away this despair
I would rather be empty
Writhing here
I'll give you anything
I give you
I'll give you everything
I give you

She only wants to be wanted
The only thing that brings her peace
She only wants to please for you
She gets on her knees
She gives
You take away
