Well, c'mon everybody, let's get together tonight  
Got a pocket full of money and  
I'm gonna spend it right  
I've been doin' my homework all week long  
Now my house is empty, my folks are gone  
C'mon everybody  
Well, took my eyes from the wall  
'Cause I'm gonna dance with three or four  
Till you can't hear the music for the bare feet  
Slappin' on the floor  
When you hear the music and you can't sit still  
And your brother won't rock, then your sister will  
C'mon everybody  
(Get up put it out)  
C'mon everybody, let's get together tonight  
Got a pocket full of money and  
I'm gonna spend it right  
I've been doin' my homework all week long  
Now my house is empty, my folks are gone  
C'mon everybody  
C'mon everybody
