Now it's over
It feels so senseless
Damaged goods
There are no pretenses
Dividing lines, we feel defenseless
The standards high, the cost is endless
When this side destroys that side destroys this side
everyday we destroy.
GO!
I'm just staying alive, ohhh!
Only the strongest survive ohhh!
Were just thinning the tribe, everyday we destroy.
GO!
Fast food diet, bent on destruction
Subdue the masses, greed and corruption
So where does trust live, once you're killing

Sell salvation for the willing,
When this side destroys that side destroys this side
everyday we destroy.
GO!
I'm just staying alive, ohhh!
Only the strongest survive ohhh!
Were just thinning the tribe everyday we destroy.
Time is running, good to go
One by one the bodies flow
Children die half asleep
Keep the system nice and neat
Feed the public bullshit lies\
Babies lost and babies cry
In the end it's all the same
We all suffer from the same.
