I just came inside  
'Cause there weren't no place to hide  
I know I did Babe  
And I'm your here today  
Well you can see I was doing bad  
Working hard right down the line  
There's a whole strong bashful dream  
Down to L.A.  
Before you trust me  
Like your brother  
There's something in my head I want you to know  
Oh! Oh! Oh! Oh!  
I've been destined  
Adjust the power  
Higher than a hawk's nest  
I'm decked out like an Eastern flower who  
Needing more time to rest oh!  
I had to rest and think again  
Again  
Well I remember  
How you tried to explain  
Remember how you felt the same as me  
And you were smart to haven't  
To remember  
And I guess you came to me  
'Cause you needed to be free  
You showing it to your lover  
How once we loved each other  
But before you take me  
Before you love me  
Like no other  
There's something on my mind  
I want you to know  
I've been destined  
Adjust the power  
Higher than a hawk's nest  
I'm decked out like an Eastern flower who  
Needing more time to rest oh!  
I had to rest and think again  
Again  
I wanna warn you

Before you take me for your lover  
There's something that if you don't know by now  
You ought to know  
I've been destined  
Adjust the power  
Higher than a hawk's nest  
I'm decked out like an Eastern flower who  
Needing more time to rest oh!  
I had to rest and think again  
Again  
Yes I did!  
Oh! Look out now!
