Fucked up

Drunk

Outta Tune

Again!

I say Oh no not again, there goes my best friend
pushing back his best friend again i try not to judge,

he's such a slimy slug when will this love affair end

Another drunken night, another stupid drunken fight
and all the people they start to talk

Oh god he's such a lush lying there in his throw up he
slurs and he can barely walk

Nobody sins and nobody wins no ones my friend and
no one knows it better than me

Everyone's high everyone lies everyone dies and no
one knows it better than me

Fucked up

Drunk

Outta tune

Again

You know it's so confusing, he's so self abusing,
another show, another friend, and when the sun comes
up, where will he end up?

In someone's beer stained hands again. confused and
so unsure, menudo seems to be the cure

He's making drinking plans again for ten i just can't
understand, how poison seems to drive this man, he's
fucked up and headed for the can.

Fucked up

Drunk

Outta tune

Again

Nobody sins nobody wins no one's my friend and no
one knows it better than me

Everyone's high everyone lies everyone dies and no
one knows it better than me

Ricky Vodka when will you learn?

Your world spins as your head turns

If i left it all up to you

We'd be wrecking crew bored boys with nothing to do

Fucked up

Drunk

Outta tune
Again!
