I got to be me
And all my styles so free
I just can't live any other way
So I could you judge this on me
Cause I flow easily
See I just live my life the way I please
Whoa - I got a peaceful irie feeling
Find these peaceful irie feelings
See me reaching down from the ceiling
See me grasping life so tightly
See the simple things still excite me
Expand my mind open all closures
Freedom music pipe full of dozier
Expand my mind open all closures
I could do this over and over
Freedom, music pipe full of dozier
So I I I I got to be me
And all my styles so free
I just can't live any other way
So I I I I could you judge this on me
Cause I flow easily
See I just live my life the way I please

Whoa - I got a peaceful irie feeling
Over and over
Find these peaceful irie feelings
See me reaching down from the ceiling
See me grasping life so tightly
See the simple things still excite me
Expand my mind open all closures
Freedom music pipe full of dozier
Expand my mind open all closures
I could do this over and over
Freedom, music pipe full of dozier
So I I I I got to be me
And all my styles so free
I just can't live any other way
So I I I I could you judge this on me
Cause I flow easily
See I just live my life the way I please
Whoa - I got a peaceful irie feeling
With the flow let your soul glow
