Here's a word from me to you
Pack your bag this time you're thru
Blast you off straight to the moon
If you come back again it will be too soon
Tie you to the railroad tracks
Have lizzy borden give you 40 whacks
Push you off the plank
Feed you to the sharks
Bathe you in gasoline with lots of sparks, sparks,
sparks...
(where's the match?)
Lied and cheated
Cheat and lie
Lied and cheated on me again
Lied and cheated
Cheat and lie
Lied and cheated on me again
What a shock
Got a call

Your best friend she told me all
The different ways you spent your days
I'll never trust your cheating ways
Nothing's new you're still going down
Spreading your legs all over town
Did you have to sleep with all of my friends
Again and again
Again and again...
Lied and cheated
Cheat and lie
Lied and cheated on me again
ONCE is understandable
TWO TIMES you're feeling the fool
THREE TIMES YEAH that's it you're out
FOUR TIMES i'm sitting with a gun in my mouth
