"Live With Me"

In the midst of all my sorrow
The one I love has left my side
And for me there's no tomorrow
No time for laughing
If I could, I would have tried
Live with me, yeah
Baby, will you live with me
Yeah, live with me, ooh
Baby, won't you live with me
Live with me, yeah
I really, really need you
Live with me, live with me
Live with me, yeah
No more
I didn't really do you wrong
When I lied, no
I didn't really say those words
To make you wanna go
So come back, baby, to my side
A love like yours, baby
I can't hide
So won't you live with me, oh yeah
Oh, yeah
Won't you live with me
Live with me baby
Live with me, yeah, yeah
Live with me yeah
Live, won't you live with me
Live with me...
Well, you know you must
You must, oh oh
No more
You know sometimes
You make me feel so mad
Sometimes, you make me feel so sad
Oh, oh, do you wanna be tied
All I wanna know
Do you wanna be my bride
Oh, won't you live with me, yeah
Ooh, ooh, yeah, ooh
Oh, won't you live with me, yeah

Oh, won't you live with me, oh mama
Oh, won't you live with me, oh yeah
Won't you live with me, oh lord
Well, you know you
You're still my baby
You're still my baby
Oh, oh
Oh, oh
Oh, oh
