Tell me what to say and I'll write a book today  
About our love dear, oh  
People try to talk to me and they tell me who I ought to  
be  
Today dear, ooh, ooh  
Only you can see  
That I love you  
That I love you, ooh  
Tell me what to think, and I'll fix myself a drink  
To drink to you dear, oh no, no  
Why am I so I'll at ease--don't people get down on their  
knees  
For me, dear  
Girl, only you understand  
Hold my hand  
Hold my hand  
Oh, only you can see  
That I love you  
Yeah, that I love you
