Darling let me back inside this house  
Darling let me back inside this house  
I'm sorry, I'll be quite as a mouse  
Baby, when I come home from work  
I need a drink to relax my nerves  
It's not enough to stop at three or four  
But you love to kick me out that door  
Darling let me back inside this house  
Darling let me back inside this house  
I said I'm sorry, I'll be quite as a mouse  
Won't let me drink  
Wont let me smoke  
Won't let me laugh  
Won't let me joke  
The meanest women that I'll ever know

But she loves to kick me out that door  
Darling let me back inside this house  
Darling let me back inside this house  
I said I'm sorry, I'll be quite as a mouse  
Put a, puta, puta, puta  
Afraid to kiss you when I come home  
I'm tired of sleeping on the couch alone  
I'm loud and stupid  
I'm a slob  
But it doesn't mean I don't need love  
Darling someday I'm gonna leave this house  
Darling someday I'm gonna leave this house  
And when I do, I'll be quite as a mouse
