Hey, get on down, yeah right
Won't you rally, rally with Ali
Rally, rally with Ali
Look at your body fly like the beat
You're the real thing, the only chance for me
Your whiplashing legs can shake the nation
Just drive him in the corner, use a combination
Come on, take a spin
You gotta stand by the man
If you stand by the man
You're standing by the fastest in the land
Oh yea, rally with Ali
I say, rally around the man
Well, this is an Ali rally
Ah, dance around the ring, boy
And then you do the same a little more
Get it from Leroy, you gotta see sweet Leroy
You got all the answers
And you're the king of dancers
You need no temptation
Swing him on the chin, boy
And you've got the style, boy
You've got to use it all the while now
Come on now, take the stand
You gotta stand by the man
If you stand by the man
You're standing with the fastest artist in the land
Rally, rally with Ali
I say, rally, rally with Ali
It's my Ali rally
Rally, rally, rally, rally, rally
Yes, people down in the street
Thought there's never be another Mohammed Ali
Oh rally, just a fight
Get lazier with Frazier, haha...
