I know I don't  
I don't believe  
In old promises  
Just want you back again  
I know I wrote  
This longing for you  
Is strong throughout the land  
Won't you listen to  
My summer song  
How long, how long, how long?  
I try to say what I mean  
'Cause I mean to stay  
I try to stay where I been  
'Cause I been where I stay  
Oh! Listen to  
My summer song  
How long, how long, how long?  
I know the stake's been made  
Even though I changed my ways  
You'd better hear my voice  
'Cause I've made my choice  
Honey you be on my ways  
Ah! Listen to my summer song  
How long, how long, how long?  
Try to say what I mean  
'Cause I mean what I say  
Yer I try to stay where I been  
'Cause I been where I stay  
So won't you listen to my summer song  
How long, how long, how long?
