I know you're so good for me  
I know you're so good for me  
Good for me  
So good for me  
I need you baby, more than I can say, yeah, yeah,  
yeah, yeah  
'Cause you touch my soul in every way  
You've got the power to capture the hours I'm in  
Shelter from the seasons, all alone and sick  
Looked around for reasons  
And I found myself in bed  
And it's going to my head  
I know you're so good for me  
I know you're so good for me  
Good for me  
You're so good for me  
Oh, I know the sun's gonna shine  
Let it shine  
Stay with me, baby, let me know that you're mine  
You're mine  
I say, you got the time, so just give me a sign  
I said, baby, oh, baby, oh  
I said, baby  
Oh no, give me a sign  
I said, baby  
You're so good for me  
So good for me  
Ooh baby  
Ooh baby  
Ooh baby  
I know you're so good for me  
Ooh, yeah  
I know you're so good for me  
Yes you are  
Good for me  
Sweet as honey  
Good for me  
Oh, oh, the sun's gonna shine  
Stay with me, baby, make me know that you're mine  
Make me know it  
You got the time (yes you have it), so come on, give me

a sign  
I know you're so good for me  
You're so good for me baby  
I know you're so good for me  
Yeah, give it to me  
So good for me
