Well, now Anna  
You come and ask me, girl  
To set you free, girl  
Oh, but I, I still love you so  
But if he loves you more, go to him  
Anna, go to him, Anna  
Anna, I want you to know, girl  
That I still love you so  
But if he loves you more, go with him  
All of my life I've been searching for a girl  
Who's gonna love me like I love you  
Oh, but every girl that I ever had  
Just broke my heart and left me sad  
Won't you tell me what am I, what am I supposed to do  
Anna, see I want you to know, girl  
That I still love you so  
But if he loves you more, go with him  
All of, all of my life I've been searching for a girl  
Who's gonna love me like I, like I love you  
But every girl that I ever had  
Just broke my heart and then left me sad  
Won't you tell me what am I supposed to do  
Anna, you come and ask me, girl  
To set you free, girl  
Oh, but I still love you so  
But if he loves you more, go with him  
Won't you go with him  
Go with him  
Won't you go, won't you go  
Walk away from me, girl  
Can't stand no more  
Can't stand no more
