Now listen to me
I know you people
Some of you got some hard and everyday groovin' to
do
And some of you people won't lay back
Some of you people just groove on everyday things
And some of you people just don't look back
Now I wanna lay something on you
Concerning the man himself
I say, groove with the man
I mean, groove with Jesus
Oh, groove with Jesus
And he's gonna wrap things all around us
And I know you've got a lot of trouble over the wall of
that island
But I saw an old someone over there groovin'
Someone somewhere ah, believe me
Claimed at the man
Wrap things around with Jesus
Groove with Jesus
Let him wrap things all around us
I say, groove with the man
I mean, really preach him out
And let him wrap things all around us
Ooh, groove with Jesus
Wrap us all around
Wrap us all around...
