Well one of these days
And it ain't gonna be long
You're gonna look for me
But I'm gonna have it on my toes
Run down the road and be gone
I believe
And that's why
Yes I believe
I believe right now
I believe
Yes I believe
Yes I believe yer
You're tryin' to make a fool out of me
I believe it
Alright
I believe it
You're walking round
You're walking round here
You've got your head so hard
Bitten
I think I'm gonna have to
Use my own
I believe
I believe Baby
Yes I believe
I believe you're behind my back
I believe
Yes I believe
Yes I believe yer
You're tryin' to make a fool out of me
I believe it
Alright
I believe it
Sydney!
I believe it
I believe it yer
Oh!
I believe it
I believe it yer
One night you were dreaming
And I turned over and I heard you sayin'
It was hard to believe you said

"Oh! Charlie!"
When you know my name is Steve!
I believe
Is my name Steve?
Yes I believe
Why'd you say it was Charlie?
I believe
Yes I believe
I said I believe yer
You're trying to make a fool out of me
I believe it
Get down
I believe it
Well I know
I know you don't please
