My Baby's far away yer  
It's time  
It's time and tide  
That makes you put the squeeze on me  
A thorn, a rose, alas  
There's someone mockin' me behind my back  
Ooh Baby  
Is it the love girl?  
Or the lack of it?  
Some...  
Someone  
Someone that's warm  
Again you don't want or need him  
Something that you need  
And it's not wrong you need him  
Not so long ago  
Yer you're going out of your head  
Out of your head  
They told me you got lonely  
Your Babe went cold on you  
Yer, yes it's hard  
So hard to feel the same again yer  
Hard  
Can't remember  
I still remember yer yer  
Do you remember?  
You said it was different girl  
You're still the same  
It was just the same  
The same  
The same  
The same  
The same  
Something just hit me yer  
I never knew...  
I never knew you said  
It's kinda cold truth inside of me  
Now I'm just existing dead  
Now I'm dead  
I need to be assisted by ya  
I need to be assisted by a woman  
Don't be hard instead

Try to be warm Baby  
Try to be warm  
It's hard  
So hard to feel the same again  
Yer yer  
Again  
Oh! Can't remember  
I still remember  
I remember well  
I remember  
I remember yer  
It was you gave me the feeling  
Now I love you more  
Yer  
And there ain't nothing  
There ain't nothing to make me ashamed  
Because love is the law and the will  
I love you still
