In the midst of all my sorrow  
The one I love has left my side  
And for me there's no tomorrow  
No time for laughing  
If I could, I would have tried  
Live with me, yeah  
Baby, will you live with me  
Yeah, live with me, ooh  
Baby, won't you live with me  
Live with me, yeah  
I really, really need you  
Live with me, live with me  
Live with me, yeah  
No more  
I didn't really do you wrong  
When I lied, no  
I didn't really say those words  
To make you wanna go  
So come back, baby, to my side  
A love like yours, baby  
I can't hide  
So won't you live with me, oh yeah  
Oh, yeah  
Won't you live with me  
Live with me baby  
Live with me, yeah, yeah  
Live with me yeah  
Live, won't you live with me  
Live with me...  
Well, you know you must  
You must, oh oh  
No more  
You know sometimes  
You make me feel so mad  
Sometimes, you make me feel so sad  
Oh, oh, do you wanna be tied  
All I wanna know  
Do you wanna be my bride  
Oh, won't you live with me, yeah  
Ooh, ooh, yeah, ooh  
Oh, won't you live with me, yeah  
Oh, won't you live with me, oh mama

Oh, won't you live with me, oh yeah  
Won't you live with me, oh lord  
Well, you know you  
You're still my baby  
You're still my baby  
Oh, oh  
Oh, oh  
Oh, oh
