Money, who needs it, let me live my life free and easy
Put a toothbrush in my hand, let me be a travelin' man
'Cause I'm a road runner baby

I'm a road runner baby
Can't stay in one place too long
I'm a road runner baby
One look at me and I'll be gone

Well you can love me if you wanna but I do declare
When I get restless, I've got to move somewhere
'Cause I'm a road runner baby, anywhere is my home

And I love the life I live and I'm gonna live the life I love
A road runner baby

Don't want no woman to tie me down, got to be free
baby to roam around
All my life I've been like this and if you love me it's your
own risk
All my life I've been like this and if you love me it's your
own risk
'Cause when the dust hits my shoes, I've got the urge
to move

Yes, I'm a road runner baby, got to keep movin' on
Hey, and I live the life I love and I'm gonna love the life
I live
I'm a road runner baby

Road, road runner
Road, road runner
Road, road runner
Road, road runner

Don't want no woman to tie me down, got to be free
baby to roam around
All my life I've been like this and if you love me it's your
own risk
'Cause when the dust hits my shoes, I've got the urge
to move

Yes, I'm a road runner baby, got to keep movin' on
Hey, and I live the life I love and I'm gonna love the life
I live
I'm a road runner baby

Road, road runner
Road, road runner
Road, road runner
