All right! All right! Ladies and Gentlemen
Please welcome the most famous
Rock and roll group in the land
It's Humble Pie! Even though we get kicked around
Won't get caught with my trousers down
Oh! I know how you others feel'Cause I know it all
myself
Come on boys! Up our sleeve
Up our sleeve
Up our sleeve
Up our sleeve
Slow down
Getting it on to the whole world yer! Feels fine--puts my
head in place
Feels as fine as I'd ever be
Thought I'd get it on myself
Come on boys
Up our sleeve
Up our sleeve
Up our sleeve
Up our sleeve
Yer! Oh! Yer! Up our sleeve
Up our sleeve
Up our sleeve
Up our sleeve
Alright
Oh! Yer!
