VERSE 1

You failed the first great test
In some ways an omen
Would you try to digest
Make your stand

CHORUS

Forgot, forget the lecture
So long, waiting to make your choice
Stay calm keep a hold of yourself
And ruin the others with your false denial

VERSE 2

When you don't appreciate
You walk against the other men
And when all you do is take
And don't thank

CHORUS

Forgot, forget the lecture
So long, waiting to make your choice
Stay calm keep a hold of yourself
And ruin the others with your false denial

You release the pattern when you gave up and left x8
