1 and 1 is what you see,
Should you do it differently.
Break the glass, emergency,
Bring an ordinary life.

It's a failure to communicate,
Pick it up, it's not too late.
Don't turn back.

If we had to release you,
Who knows how far you would go?
If we had to unleash you,
Who knows how far you would try to go?

2 and 2 forever more,
What is it you're waiting for?
Break the seal, operate
Bring a stationary light.

There's a failure to participate
In what we do and what we make.
Don't give up.

If we had to release you,
Who knows how far you would go?
If we had to unleash you,
Who knows how far you would try to go?

If we had to release you,
Who knows how far you would go?
If we had to unleash you,
Who knows how far you would...

1 and 1 is what you see,
Break the glass, emergency.
1 and 1 is what you see,
Bring an ordinary life.

2 and 2 forever more,
What is it you're waiting for?
Don't give up
