Are we nothing more than this?  
A list of pinnacles achieved  
And I forgot the way to my conscience  
I will save this, take you home  
A chance to leave the past behind  
And head toward the future bright

Chorus (x2)  
This time it's done a better way  
Breathe again (x3) this time

Forget the emotional countdown  
And try to put together  
Just a little bit piece by piece

Are we nothing more than this?

Chorus (x2)

(Interlude x2)  
Are we nothing more than this?  
A list of pinnacles achieved  
Are we nothing more than this?  
And I forgot the way to my conscience  
Are we nothing more than this?  
I will save this, take you home  
Are we nothing more than this?  
A chance to leave the past behind  
Are we nothing more than this?  
And head toward the future bright

(x5)  
Are we nothing more than this?  
This time i'll find a better way
