It's too late
For remorse
But what you will not know
Is I'm invincible

Soft touch
I still may be
But that is why
What you still don't know
Is I'm invincible

Throughout your broken fall
You never needed anybody's help at all
And one thing that you said
Made me smile

(You know)
Watch us
Strive on honey
Or there's no way outta here
(You know)
Don't drive too hard sweetie
Cos there is no way back from here

The splinter
That we once had
Will never be replaced
If I'm invincible

You can
Look ahead
Towards the lights
Although you still don't know
I'm invincible

Throughout your broken fall
You never need anybody's help at all
And one thing that you said
Made me smile

(You know)
Watch us

Strive on honey
Or there's no way outta here
(You know)
Don't drive too hard sweetie
Cos there is no way back from here

But what you did not know

(You know)
It's safe to admit I missed you
(So take)
It's safe to admit I missed you

(You know)
Watch us
Strive on honey
Or there's no way outta here
(You know)
Don't drive too hard sweetie
Cos there is no way back from here

(You know)
Watch us
Strive on honey
Or there's no way outta here
(You know)
Don't drive too hard sweetie
Cos there is no way back from here
