So strap yourself in again  
And do you find yourself able to breathe?  
Unhindered  
We rise to the top again  
And they watch as we fall into whole  
Bottomless

And I lie beneath you  
And struggle for air  
And I lie beneath you  
And struggle for air

And if I could walk on air  
I'd see where the wind would carry you  
Clear from harm's way  
You mixed up the words you said  
And the sentences don't make any sense  
I know  
Like always

And I lie beneath you  
And struggle for air  
And I lie beneath you

And struggle for air  
And I lie beneath you  
And struggle for, air

And I lie  
Yes I lie

Strike the chord that I desire most  
Why can't I believe in me?  
Why can't I believe in me?  
Why can't I believe in me?  
(So far from me, so far away)  
Why can't I believe in me?  
(So far from me, so far away)

Believe in me? So far  
Believe in me? So far down
