Hundred Reasons "Slow Motion"

Visit "Slow Motion" on MotoLyrics.com

So stand by the fire But don't get too burnt It's more than enough To tolerate it for you

But please be aware And as you wanted to be you is OK

Consideration So worry about yourself It's never given to end all Consideration So worry about yourself It's never given to end all

When taking on board The eyes will dilate In thinking too much To watch the day I've severed

But please be aware And as you wanted to be you is OK

Consideration So worry about yourself It's never given to end all Consideration So worry about yourself It's never given to end all

Consideration So worry about yourself It's never given Consideration So worry about yourself It's never given to end all
