Visit "[The Greatest Test](#)" on MotoLyrics.com

### VERSE 1

You failed the first great test

In some ways an omen

Would you try to digest

Make your stand

### CHORUS

Forgot, forget the lecture

So long, waiting to make your choice

Stay calm keep a hold of yourself

And ruin the others with your false denial

### VERSE 2

When you don't appreciate

You walk against the other men

And when all you do is take

And don't thank

### CHORUS

Forgot, forget the lecture

So long, waiting to make your choice

Stay calm keep a hold of yourself

And ruin the others with your false denial

You release the pattern when you gave up and left x8
