Even a single little sign...
Single touch of Heaven...
To awake in people's mind...
Everlasting Wonder Land...
And Your wings will take You...
Where You've never been enough...

For such a day we live!
Drop behind Your deep fear!

Little gift... even a single soft wing...
Just to catch the blow of wind!

For such a day we live!
Weep away Your cold tears!

So I am in my Little Heaven...
So I am in my Little Cursed Hell...
So I live on my Little Great Land...
So I am in my Little Heaven...
So I am in my Little Cursed Hell...
So I live on my Little Own Land...
Why am I fallin'...?

Single dawn...
It will lift You up above...

Sleep my Angel well...
Let the night...
To save You from my evil spell!

So I am in my Little Heaven...
So I am in my Little Cursed Hell...
So I live on my Little Great Land...
So I am in my Little Heaven...
So I am in my Little Cursed Hell...
So I live on my Little Own Land...
Why am I fallin'...?

On the common Greatest Land!
Odd and totally twisted!

With the scene of Heaven that never existed...

Even single day...

Vanish of Hope...

That makes Your pain...

To fade away...

So I am in my Little Heaven...

So I am in my Little Cursed Hell...

So I live on my Little Great Land...

So I am in my Little Heaven...

So I am in my Little Cursed Hell...

So I live on my Little Own Land...

Why am I fallin'...?
