(One, two, three, fo.. one, two, three... four!)

You wanna be the Special Guest Star
in the show called - DARKNESS AND LIGHT!
Giant masses follow all that you say
Every single move... even slight...

But I do not care who gets the job!
You are the dummy that they wanna rob!
Never mind if you understand...
What is the Good and the Bad?

You shouldn't try... to seduce the crowd...
Not even once...
Giant throng will begin to shout...
Big Bro will... eat you up!!!

But I do not care who gets the seat
You are the dummy that they wanna beat
Never mind if you understand...

... Ladies and Gentlemen!
An eternal battle between the Good and the Bad!
A battle - where nobody wins...
And nobody loses either!
This is the big existential FEVER!

You wanna be the Special Guest Star
In the game of the Good and the Bad
You became the honorary dummy
The little card in the BIGGER hand!!!

But I do not care who gets the prize
You get your bloody ass kicked every time
Never mind if you understand!

But I do not care who gets the job
You are the dummy that they wanna rob
Never mind if you understand

That between your....dream and your life...

Is the Wrong and the Right!

... ta-dau
... attention!
1, 2, 3...
softly... 4 -
TA-DAU!
