STAN'S PARK. (c. Dale Hunter)

1.) Well I went down to Stan's Park, to take a look
around.
And I was filled with wonder, at nature's sight and
sound

Ch.) I was groovin', yeah, groovin' by the sea.
I was groovin', won't you come along with me.
Because Stan's Park, yeah, it's the coolest park in
history.

2.) My feet they got to walkin', I went past Lion's Gate.

My body got to feelin' good, and my brain said this is
great!

Br.) The trees so tall, the grass so green
the vegetation, man, what a scene.
Walkin' around the Lost Lagoon, you might see a big
racoon,
when it's time to leave my mind says, "it's too soon"...
