"The Leader"

When there's no place... to run away from...
The dark of night, the twilight's brightness!
Fed up with seeing so much blood... on television...
You shouldn't be here anymore...
Come on! In a while it will BEGIN!

To dance with the Litter!
Supporting the Litter!
Start choosing the Leader!
Intoxicating the Litter!
Celebrating the Litter!
Start loving the Leader!
Start killing the Leader!

I'm not that good... but I suppose I could be...
I'm not that bad... a joke in bad taste!
Fed up with hearing scarlet words... on television...
I shouldn't be here anymore...
'Cause in a moment will BEGIN!

Liberating the Leader!
Start choosing the Leader!
Start blessing the Leader!
We'll bury the Leader!
Liberating the Litter!
Getting down with the Litter!
Start blessing the Litter!
We'll bury the Litter!

NO FUTURE!
Start choosing the Leader! Start crushing the Litter!
NO FUTURE!
Go bury the Leader! Dying dogs for the Litter!
NO FUTURE!
Start loving the Leader! Start killing the Leader!
NO FUTURE! NO FUTURE!!!

To dance with the Litter!
Supporting the Leader!
Start choosing the Litter!
Intoxicating the Leader!

Celebrating the Litter!
Start loving the Litter!
Start killing the Litter!

Liberating the Leader!
Start choosing the Leader!
Start blessing the Leader!
We'll bury the Leader!
Start choosing the Leader!
Start crushing the Leader!
Go bury the Leader!
Dying dogs for the Leader!
Liberating the Litter!
Start choosing the Leader!
Start blessing the Litter!
We'll bury the Leader!
Fascinating! Celebrating!
