I cry...

Lonely tears in scarlet rain

- Am I a victim of Your will?

My life goes on...

There are so many questions...

I'm still waitin' for response...

still waitin' for Your sign...

- I am lookin' for You...

Burn in fire...

I hear Your silence...

The man asked:

- Do You really want to kill me...?

Then he put his gun away...

- So let it be...

My life is in Your hands

I will turn around my friend...

I still keep my faith and now...

I'll wait... Will You shoot at my back???

- Cos' I am (like a blindman) lookin' for You

Who's deaf now?

Burn in chaos

I hear Your silence!

Waitin' (still waitin'...) for Your word

I'm prayin' for Your sign...

Why You let us dyin'...?

Great War goes on...

I can not find Great Reason...

- Would You ever tell me - why...?

Terrible Dark...

There is no escape or hiding

Fate's never seems to change

Neverending cryin'...

Time runs, still blind

Fills like an empty shell... empty shell

I hope You can give me Your sign cos'...

- I am (like a blindman) lookin' for You

Who's deaf now?
Burn in chaos
I hear Your silence
Waitin' for Your word, for Your sign...
I hear Your silence...

Great War goes on...
I can not find Great Reason...
- Would You ever tell me - why...?

Free will...
Some of us deserve to die
In this perfect test of faith...
My life goes on...
There are so many questions...

I'm still waitin' for response...
Still wait...
- Will You choose me...?!?

- I am (like a blindman) lookin' for You
Who's deaf now?
Burn in chaos
I hear Your silence
Waitin' (still waitin'...) for Your word
I'm prayin' for Your sign...
Why You let us dyin'...?

Great War goes on...
I can not find Great Reason...
- Would You ever tell me - WHY...?
