Turn off the metal baby, turn off the blues  
Put on a love song girl I wanna sing along with you  
Listen when I'm singing, hear every word I say  
Look at me when I look at you baby, make the world go  
away

Cause baby I just want you to sing along, and all I  
wanna sing with you is  
A love song  
Nothing bout hurtin, cheatin, losing baby there aint  
nothing wrong  
All I wanna sing with you is a love song

Let's forget about the weather girl, ignore the rain  
Cause the sun shinin in your eyes and I wanna stare all  
day  
If the phone rings babe don't answer it, let the machine  
take care of it  
If the blues set in we'll kick em out ain't nothing allowed  
but love in  
This house

Baby I just want you to sing along, all I wanna sing with  
you is a love  
Song

Nothing bout hurtin, cheatin, losing, baby there ain't  
nothing wrong  
All I wanna sing with you is a love song

Baby take my hand, I want you to understand what I  
want for you  
(Yeah yeah)don't wanna let gone songs, hurtin songs,  
goin songs, cheatin  
Songs get to you

Oh baby all I wanna do is sing along, all I wanna sing  
with you is a love  
Song  
Nothing bout hurtin, cheatin, losing, baby there ain't  
nothing wrong

All I wanna sing with you is a love song  
Baby, baby sing along  
All I wanna sing with you is a love song  
Nothing bout hurtin, cheatin, losing, baby there ain't  
nothing wrong  
All I wanna sing with you is a love song
