Oooh yeahhh!

Wasted time and money honey
Treatin' you like a queen
I might as well have just thrown matches at a tank of
gasoline
Well it all went up in a ball of flames,
Girl you torched me good.
Yeah, I got burned and learned that I loved you more
than I should.

[Chorus]:

Cause my heart said a long time ago,
Buddy tuck your tail and run.
Cause it ain't love
When your stuck on the wrong end of the gun
You put your finger on that trigger and you shot me
where I stood.
I found out the hard way I loved you more than I should.

Ooooh yeahhh!

Well, curse the man who made the sweet perfume that
cast the spell
And curse the night that made us kiss beneath the star
that fell.
And curse the man before me
Didn't warn me when he could.
And curse me most of all for loving you more than I
should.

[Chorus]

Cause my heart said a long time ago,
Buddy tuck your tail and run.
Cause it ain't love
When your stuck on the wrong end of the gun
You put your finger on that trigger and you shot me
where I stood.
I found out the hard way I loved you more than I should.

Oooh more than I should, yeahhh!

Last night I found myself inside the strangest, sweetest
dream
You were standin' arms wide open right in front of me.
The closer I moved toward you, the further away you
stood.
I woke up and whispered, "I loved you more than I
should."
They'll write on my gravestone
I loved you more than I should

More than I should, yeahhh!

Ooohhh!

Yeahhh!
